**WARNING: Under Texas Law (Chapter 87, Civil Practice and Remedies Code), An Equine Professional is not Liable for an Injury to, or the Death of a Participant in Equine Activities Resulting from the Inherent Risks of Equine Activities.**

**Equestrian activities entail a certain amount of risk and can easily result in mild, severe or even fatal injuries. Engage at your own risk.**

### RELEASE

I, the undersigned, have read and understand the *Texas Equine Activity Statute* and hereby release Stacey Carpenter and her designated employees of any and all liability of injuries resulting in equine activities. This will include any time under the instruction from Stacey Carpenter while at the property known as 1355 FM 664 Waxahachie, Texas or any other facility where I may receive instruction.

I am aware of the sign posted on the premises of 1355 FM 664 Waxahachie, Texas. I further am aware that helmets are required for any riding on any horse. If I choose not to wear a helmet I will assume all responsibility for any injuries that may be caused by not wearing a helmet. Helmets of all sizes will be made available if I should need one. It has been strongly suggested that I purchase my own to ensure the equipment fits properly and is well maintained.

I have been made aware of several safety measures that are to be taken when dealing with equines. I have been given a copy of several topics that are potential hazards when dealing with equines.
